ENGINE & PROPELLER

IO-550N8B, 310 hp, Continental Engine (24v, 100 amp, a/c brkt)

HC-J3YF-1RF/F7391D-3, Hartzell Propeller 3-blade, constant speed propeller

A-2295-1P, Polished 14" Hartzell Spinner (3-blade IO-550)

FIREWALL FASTBUILD OPTION

ENGINE FASTBUILD OPTION

Engine & Firewall Fastbuild includes: Throttle, Prop, Mixture Cable Kit, Prop Governor, Engine Baffling, Engine Vibration Isolators, Gascolator Kit, Exhaust, Air Induction Kit, Dual Alt/Dual Battery (2 B&C voltage regulators, power grid and flush mount battery box and small battery box, stand by alternator), Hose Kit, powder coated baffling and installation of engine probes.

AIRFRAME ACCESSORIES

SPRL2-L-M, Upgrade to Lockable Fuel Caps

Upgrade to Carbon Cowls

4925-01, Adjustable Rudder Pedals (Pilot's Side only)(Includes adjustable pedal bars and attachment hardware.)

4925-02, Adjustable Brake/Rudder Pedal Assembly (Co-Pilot only) (Includes rudder pedals, adjustable pedal bars, brakes and attachment hardware)

4937-A, Pitot Static System(Includes the pitot tube (AN5812-), air pressure switch (710), static port, tubing & fittings)

KEV0110, Screw Mount Eyeball Vents,

4933, Cabin Heat Assembly

4943, Avionics Shelf, 19x45 Prepreg

1106-01, Seat Belts

1106-02, Shoulder Harness

5455-A, Boost Pump Assembly (Continental IO-550)

4808A, Fuel Selector Valve (Continental IO-550)

RG-24-11M, Battery, Concorde, 24v

BC116-1, Battery, Backup, 16 amp hour

A600, External Position Lights (Includes wingtip position/strobe lights, power supply and wiring)

S4A, Rudder Trim Servo

4941, Airframe Hydraulic/Fuel Hose Kit

4630, Inflatable Canopy Seal/Pump Assy (Includes inflatable door seal, check valve, pump, switch, fittings and clamps)

4755, Inboard Hydraulic Gear Door

4090-01/02, Longerons Closeouts

Sunshade for Canopy

TB-1, Tow Bar

TB-1-05, Tow Bar Plate

INSTRUMENT PANEL ASSEMBLY

Prewired Instrument Panel includes:

AVIONICS

GMA 340, Garmin Audio Panel

GNS 530, Garmin GPS/COM/NAV/Moving Map

SL 30, UPS Nav/Com

GTX 330, Garmin Transponder Mode S

AUTOPILOT

S-Tec System 55 with GPSS & Vertical Speed & install kit

FLIGHT INSTRUMENTS

Grand Rapids MFD

B807 United Instruments True Airspeed Indicator

4300-411 Mid Continent Attitude Indicator

A616 United Instruments Altimeter

MD200-306 UPS VOR Indicator w/Glide Slope

T.C. S-Tec Turn Coordinator

KCS 55A King Slaved HSI System

C182 United Instrument Vertical Speed Indicator

M800 Davtron Digital Clock

SIRS Glare Shield Mount Compass

Grand Rapids engine monitoring system

EII fuel probes

AVIONICS ACCESSORIES

SAE5-35 Sandia Mode C Altitude Encoder

Alpine 6-disk CD changer with MP-3 & XM Satellite Tuner

Klixon Circuit Breakers

Fuse Block

Flap Switch

Landing Gear switch

Batt/Alt Master Switch

Engraved Rocker Switches

Misc. Toggle Switches

Glareshield mounted Light Bar

Lancair Trim Indicator System

Master Warning System

4 channel Solid State Light/Dimmer Controller

Lancair Potentiometers & knobs

Ignition switch

Artex ELT200

Cooling Fan

Voltage Converter

Comant Nav Diplexer/Splitter

Infinity Stick Grips Pilot & Co-Pilot

Com Antenna

Transponder Antenna

Comant VOR Coupler

Marker Beacon Antenna

Aux. Power port

Aluminum Inserts-powder coated & silkscreened

Wire Harness

Complete Aircraft Wire Harness

Complete Engine Wire Harness

PERFORMANCE FROM THE GROUND UP

THIS AIRCRAFT JUST NEEDS PAINT AND INTERIOR TO YOUR LIKING. THIS LEGACY WILL NOT LAST ON THE MARKET LONG. FOR MORE INFORMATION CALL KIM LORENTZEN AT 541-923-2244
